### Activity Report:

The "**Cancer Awareness Program**" was organized by the NSS Unit of R V Bidap Law College Bidar, with Ganapati Pawar, Assistant Professor, serving as the coordinator. The event took place at Basava Colony on Manhalli Road in Bidar on September 30, 2018, aiming to educate both students and local residents about cancer prevention, early detection, and treatment options. A total of 25 students actively participated in the program, which featured discussions, presentations, and interactive sessions highlighting key information about the causes, risk factors, and preventive measures associated with cancer.

By providing valuable insights into cancer awareness, the event empowered participants to recognize the importance of early diagnosis and healthy lifestyle choices. This initiative encouraged attendees to take proactive steps regarding their health and advocate for community awareness. Ganapati Pawar's leadership ensured the smooth organization and execution of the program, significantly enhancing its success in fostering community engagement in health-related initiatives.

## Activity Report:

The "Solar Renewable Energy Awareness Program" was organized by the NSS Unit of RV Bidap Law College Bidar, with Ganapati Pawar, Assistant Professor, serving as the coordinator. The event took place at Basava Colony on Manhalli Road in Bidar on August 24, 2018, aiming to educate both students and local residents about the benefits and applications of solar energy. A total of 25 students actively participated in the program, which included discussions, presentations, and interactive sessions focused on the significance of renewable energy sources and their role in sustainable development.

By providing essential information about solar energy, the event empowered participants to understand the advantages of adopting renewable energy solutions for both environmental and economic benefits. This awareness encouraged attendees to explore solar energy options for their homes and communities. Ganapati Pawar's leadership ensured the effective organization and execution of the program, significantly contributing to its success in promoting community engagement and interest in sustainable energy practices.
