We are proud to be permanently affiliated with Gulbarga University and recognized by the Bar Council of India. Our inclusion under sections 2(f) and 12(B) of the U.G.C. At **R.V. Bidap Law College**, we believe in a holistic approach to education. Our experienced and dedicated faculty members are committed to providing personalized attention to each student, ensuring that they are well-prepared for their academic and professional journeys. Our curriculum is meticulously designed to combine the theoretical foundations of law with practical experiences, including moot courts, court visits, and interactions with practicing lawyers and academicians. This comprehensive approach ensures that our students are not only well-versed in legal theory but also proficient in applying their knowledge in real-world scenarios.

Beyond academics, we place a strong emphasis on the overall development of our students. Through our active participation in the National Service Scheme (NSS), we encourage our students to engage in community service, fostering a sense of civic responsibility and leadership. Additionally, our add-on and value-added courses, covering areas such as cyber law, intellectual property rights, and alternative dispute resolution, provide our students with specialized knowledge that enhances their employability and prepares them for the dynamic legal landscape.

We also recognize the importance of extracurricular activities in shaping well-rounded individuals. Our college regularly organizes cultural events, sports competitions, and other extracurricular activities, providing our students with ample opportunities to develop their talents and build a well-rounded personality. These activities instill values of teamwork, discipline, and a healthy competitive spirit, which are essential for personal and professional growth.
