

## Programme Outcomes(PO's) of LLB:

1. Legal Knowledge: demonstrate a sound understanding of foundational legal principles, doctrines, and concepts across various areas of law, including but not limited to criminal law, contract law, constitutional law, and tort law.
2. Legal Research Skills: proficient in legal research methodologies, including the ability to find, analyze, and interpret legal sources such as statutes, case law, and legal literature.
3. Analytical and Critical Thinking: develop strong analytical and critical thinking skills to assess legal issues, apply legal reasoning, and propose solutions to legal problems.
4. Communication Skills: effective communicators, both in written and oral forms. This includes the ability to draft legal documents, present legal arguments, and communicate complex legal concepts to diverse audiences.
5. Ethical and Professional Conduct: instill a strong sense of ethical and professional conduct in graduates, emphasizing integrity, responsibility, and respect for the rule of law.
6. Legal Writing Skills: Graduates should be able to produce clear, concise, and well-structured legal documents, such as legal memoranda, briefs, and opinions.
7. Legal Technology Competence: LLB programs may include training in the use of legal technology tools and software relevant to legal practice, research, and communication.
8. Problem-Solving Skills: Graduates should be adept at identifying legal issues, evaluating evidence, and developing effective strategies to solve legal problems.
9. Understanding of Legal Systems: LLB programs often include an exploration of different legal systems and their historical and cultural contexts to provide graduates with a global perspective on law.

10. Teamwork and Collaboration: Graduates should be capable of working effectively in a team, as legal practice often involves collaboration with colleagues, clients, and other stakeholders.
11. Awareness of Social Justice and Diversity: LLB programs may foster an understanding of social justice issues, diversity, and the role of law in addressing and promoting equity.

## **Programme Specific Outcomes (PSO) of LLB:**

1. Knowledge of law: A professional should be thorough with the fundamentals of law and also be acquainted with the latest developments in the areas of specialization and should have abilities to apply the knowledge to solve problems and advise institutions and also individuals. Intellectual input is the essence of this autonomous profession.
2. Professional ethics: A law graduate should have strong underpinnings of professional ethics in order to belong to the noble profession.
3. Knowledge of basic social sciences: Law is related to other social sciences like history, economics and Political science etc., A knowledge of interplay of these disciplines is essential for a law graduate.
4. Knowledge of procedures and processes: This is very important for a professional to be effective. The channels of remedy and the procedure to obtain the remedy should be known to the graduate.
5. Social relevance of law; Law is an instrument of social change; to bring about desired social change one has to study law in social relevance.
6. Knowledge of public affairs: Law graduate should be thoroughly acquainted with the knowledge of public affairs in order to discharge the obligations of the independent profession.

7. Abilities required of an effective professional.

- a. Research and reasoning skills
- b. Understanding public affairs
- c. Problem solving
- d. Drafting, including commercial drafting

8. A graduate should be market ready. He should be in a position to deliver services as an advocate, administrator, corporate employee, facilitator of ADRs, etc.

9. Social Responsibility- A lawyer should be an active citizen first. He should provide leadership to the society when it is at the crossroads. The level of attainment of Programme Outcomes, Programme Specific Outcomes and Course Outcomes are measured using various indicators throughout the semester of the academic year.

The faculty records the performance of each student with the help of the specified course outcomes through a continuous evaluation process. The faculty provides assignments to students, conducts internal tests, viva voce, projects etc. in order to assess the Programme Outcomes and Programme Specific outcomes attained by each student.

## Course Outcomes of various Courses taught under LLB:

### Course Outcomes (COs) for Constitutional Law – I

CO No.	CO Statement	RBT Level
CO1	Explain the fundamental framework and key provisions of the Indian Constitution.	K2
CO2	Analyse core constitutional principles such as the Preamble, Fundamental Rights, and DPSP.	K4
CO3	Apply the knowledge of federal structure to understand Centre-State relations in India.	K3
CO4	Interpret and critically examine the Fundamental Rights and their enforcement through constitutional remedies.	K5
CO5	Examine the role, powers, and functions of the judiciary, including the concept of judicial review.	K4
CO6	Evaluate the significance of Constitutional Amendments and their impact on Indian governance.	K5

### Course Outcomes (COs) for Contract Law - I

CO No.	CO Statement	RBT Level
CO1	Define the basic concepts of contract law, including offer, acceptance, consideration, and legal intention.	K1
CO2	Explain the essential elements required for a valid contract under the Indian Contract Act, 1872.	K2
CO3	Apply legal principles to determine the validity of contracts in hypothetical scenarios.	K3
CO4	Analyze different types of contracts such as void, voidable, and contingent contracts.	K4
CO5	Examine the legal consequences of breach of contract and the remedies available under the law.	K4
CO6	Evaluate the various provisions related to performance and discharge of contracts under the Indian Contract Act.	K5

### Course Outcomes (COs) for Family Law - I: Hindu Law

CO No.	CO Statement	RBT Level
CO1	Define the basic concepts and sources of Hindu Law, including the significance of customs and scriptures.	K1
CO2	Explain the provisions related to marriage under the Hindu Marriage Act, 1955, including conditions and types of marriage.	K2
CO3	Apply legal principles governing the dissolution of marriage, such as divorce and judicial separation.	K3
CO4	Analyze the legal framework related to inheritance, succession, and coparcenary rights under Hindu Law.	K4
CO5	Evaluate the provisions regarding adoption, guardianship, and maintenance under the Hindu Adoption and Maintenance Act, 1956.	K5
CO6	Apply the Hindu Succession Act, 1956, to understand the distribution of property in intestate succession.	K3

## Course Outcomes (COs) for Family Law - I: Hindu Law

CO No.	CO Statement	RBT Level
CO1	Define the basic concepts and sources of Hindu Law, including the significance of customs and scriptures.	K1
CO2	Explain the provisions related to marriage under the Hindu Marriage Act, 1955, including conditions and types of marriage.	K2
CO3	Apply legal principles governing the dissolution of marriage, such as divorce and judicial separation.	K3
CO4	Analyze the legal framework related to inheritance, succession, and coparcenary rights under Hindu Law.	K4
CO5	Evaluate the provisions regarding adoption, guardianship, and maintenance under the Hindu Adoption and Maintenance Act, 1956.	K5
CO6	Apply the Hindu Succession Act, 1956, to understand the distribution of property in intestate succession.	K3

## Course Outcomes (COs) for Criminal Law - I: Indian Penal Code

CO No.	CO Statement	RBT Level
CO1	Define and understand the basic principles and structure of the Indian Penal Code (IPC), including its scope and objectives.	K1
CO2	Explain the key concepts and categories of crimes, such as offenses against the person, property, and state under the IPC.	K2
CO3	Apply the IPC provisions to analyze criminal behavior, including the elements of specific offenses and defenses.	K3
CO4	Analyze and evaluate the principles of criminal liability, including mens rea, actus reus, and the different types of punishment under the IPC.	K4
CO5	Evaluate landmark case laws and judicial interpretations that have shaped the application and evolution of the IPC.	K5

## Course Outcomes (COs) for English

CO No.	CO Statement	RBT Level
CO1	Identify and use basic grammar rules, vocabulary, and sentence structures to enhance written and spoken communication.	K1
CO2	Explain and interpret key themes, characters, and literary devices in selected texts.	K2
CO3	Apply critical reading strategies to analyze and evaluate texts for comprehension and literary analysis.	K3
CO4	Analyze different genres and styles of writing to understand their unique features and techniques.	K4
CO5	Create well-structured essays and reports using appropriate language and style for various contexts.	K3
CO6	Evaluate the impact of cultural, historical, and social contexts on literary works and language use.	K5

## Course Outcomes (COs) for Constitutional Law - II

CO No.	CO Statement	RBT Level
CO1	Define and understand the structure and powers of the Union and State Executives, including the President, Prime Minister, and Governors.	K1
CO2	Explain the principles and provisions related to the distribution of powers and responsibilities between the Union and the States.	K2
CO3	Analyze the functions and jurisdiction of various Constitutional Bodies like the Election Commission and the Comptroller and Auditor General.	K4
CO4	Apply constitutional provisions related to emergency powers and their implications on federal structure and individual rights.	K3
CO5	Evaluate landmark judgments on federalism and constitutional amendments to understand their impact on governance.	K5
CO6	Interpret the provisions of the Constitution related to amendments and their effect on the basic structure of the Constitution.	K5

## Course Outcomes (COs) for Contract - II

CO No.	CO Statement	RBT Level
CO1	Define the principles governing special types of contracts, including contracts of contract of contract of sale of goods and contract of partnership.	K1
CO2	Explain the provisions related to contracts of insurance and contract of carriage under Indian law.	K2
CO3	Apply legal principles to resolve disputes related to contracts of sale, insurance, and partnership.	K3
CO4	Analyze the impact of statutory regulations on special types of contracts.	K4
CO5	Evaluate the remedies available for breach of special contracts and their effectiveness.	K5
CO6	Assess case laws and judicial interpretations related to special types of contracts for a comprehensive understanding.	K5

## Course Outcomes (COs) for Labour Law - I

CO No.	CO Statement	RBT Level
CO1	Define key concepts of Labour Law, including industrial relations, employment, and trade unionism.	K1
CO2	Explain the provisions of major Labour Laws, such as the Industrial Disputes Act and the Trade Unions Act.	K2
CO3	Apply Labour Law principles to analyze issues related to employment, wages, and working conditions.	K3
CO4	Analyze dispute resolution mechanisms and their effectiveness under Labour Law.	K4
CO5	Evaluate the impact of recent amendments and judicial decisions on Labour Law and industrial relations.	K5
CO6	Assess the role of various labor organizations and government agencies in implementing labor laws.	K5

## Course Outcomes (COs) for Property Law

CO No.	CO Statement	RBT Level
CO1	Define the basic concepts of Property Law, including types of property, ownership, and transfer of property.	K1
CO2	Explain the principles related to transfer of property under the Transfer of Property Act, 1882.	K2
CO3	Apply legal provisions to resolve issues related to property rights, inheritance, and partition.	K3
CO4	Analyze the impact of various property laws on property transactions and ownership rights.	K4
CO5	Evaluate the role of statutory regulations and judicial decisions in shaping property law.	K5
CO6	Interpret and apply case laws related to property disputes and their resolutions.	K5

## Course Outcomes (COs) for Family Law - II: Mohammadan Law & Indian Succession Act

CO No.	CO Statement	RBT Level
CO1	Define the key concepts and sources of Mohammadan Law and the Indian Succession Act.	K1
CO2	Explain the provisions related to marriage, divorce, and maintenance under Mohammadan Law.	K2
CO3	Apply principles of inheritance and succession under Mohammadan Law and the Indian Succession Act.	K3
CO4	Analyze the differences between Mohammadan Law and other personal laws in matters of family and succession.	K4
CO5	Evaluate the impact of various amendments and judicial interpretations on personal laws and succession.	K5
CO6	Assess case laws and practical scenarios related to Mohammadan Law and Indian Succession Act for a comprehensive understanding.	K5

## Course Outcomes (COs) for Kanoonu Kannada/Kannada Kali (For Non-Kannadiga Students)

CO No.	CO Statement	RBT Level
CO1	Identify and use basic Kannada vocabulary and grammar for legal communication.	K1
CO2	Explain key legal terms and concepts in Kannada relevant to the legal profession.	K2
CO3	Apply Kannada language skills to interpret legal documents and texts.	K3
CO4	Analyze legal case studies and scenarios in Kannada to understand their implications.	K4
CO5	Evaluate the effectiveness of legal communication in Kannada in practical legal settings.	K5
CO6	Assess the cultural and linguistic nuances in legal practice and documentation in Kannada.	K5

## Course Outcomes (COs) for Jurisprudence

CO No.	CO Statement	RBT Level
CO1	Define and understand fundamental concepts of jurisprudence, including legal theory and philosophy.	K1
CO2	Explain key legal theories and schools of thought, such as natural law, positivism, and realism.	K2
CO3	Apply jurisprudential concepts to analyze various legal systems and their principles.	K3
CO4	Analyze the role of jurisprudence in shaping legal norms and judicial decisions.	K4
CO5	Evaluate different jurisprudential perspectives and their impact on contemporary legal issues.	K5
CO6	Assess the practical application of jurisprudential theories in the formulation and interpretation of laws.	K5

## Course Outcomes (COs) for Labour Law - II

CO No.	CO Statement	RBT Level
CO1	Define key concepts and legal provisions related to wages, employment conditions, and industrial disputes.	K1
CO2	Explain the legal framework governing employee rights, working hours, and compensation under various labour laws.	K2
CO3	Apply legal principles to case studies involving labor disputes, wage claims, and working conditions.	K3
CO4	Analyze the effectiveness of various labor laws and regulations in protecting worker rights.	K4
CO5	Evaluate recent amendments and judicial rulings affecting labor laws and industrial relations.	K5
CO6	Assess the role of trade unions and other labor organizations in influencing labor laws and policies.	K5

## Course Outcomes (COs) for Law of Taxation

CO No.	CO Statement	RBT Level
CO1	Define basic concepts and principles of taxation, including types of taxes and tax administration.	K1
CO2	Explain the provisions and procedures under major taxation laws, such as Income Tax Act and GST Act.	K2
CO3	Apply taxation principles to analyze and solve tax-related problems and case studies.	K3
CO4	Analyze the impact of tax laws on individuals, businesses, and the economy.	K4
CO5	Evaluate recent changes in taxation laws and their implications for compliance and enforcement.	K5
CO6	Assess the effectiveness of tax policy and administration in achieving fiscal objectives.	K5

## Course Outcomes (COs) for Criminal Law - II: CR.P.C., JJ Act & Probation of Offenders Act

CO No.	CO Statement	RBT Level
CO1	Define and understand the key procedures and provisions under the Criminal Procedure Code (CR.P.C.).	K1
CO2	Explain the legal framework and principles related to the Juvenile Justice Act (JJ Act) and its applications.	K2
CO3	Apply the provisions of the CR.P.C., JJ Act, and Probation of Offenders Act to practical case scenarios.	K3
CO4	Analyze the procedures for investigation, trial, and appeal under the CR.P.C. and their impact on criminal justice.	K4
CO5	Evaluate the effectiveness of the JJ Act and Probation of Offenders Act in rehabilitating offenders and protecting juvenile rights.	K5
CO6	Assess landmark cases and judicial interpretations related to CR.P.C., JJ Act, and the Probation of Offenders Act.	K5

## Course Outcomes (COs) for Administrative Law

CO No.	CO Statement	RBT Level
CO1	Define the fundamental concepts of Administrative Law, including the scope of administrative powers and control.	K1
CO2	Explain the principles of natural justice and procedural fairness in administrative decision-making.	K2
CO3	Apply administrative law principles to analyze and resolve issues related to administrative actions and decisions.	K3
CO4	Analyze the role of judicial review in controlling administrative actions and ensuring accountability.	K4
CO5	Evaluate the impact of landmark judgments on the development of administrative law.	K5
CO6	Assess the effectiveness of administrative remedies and their role in protecting individual rights.	K5

## Course Outcomes (COs) for Public International Law

CO No.	CO Statement	RBT Level
CO1	Define the basic principles and sources of Public International Law, including treaties, conventions, and customary law.	K1
CO2	Explain the key concepts of state sovereignty, international responsibility, and the role of international organizations.	K2
CO3	Apply international legal principles to analyze and resolve issues related to state relations and global conflicts.	K3
CO4	Analyze the impact of international treaties and agreements on national and global legal systems.	K4
CO5	Evaluate case laws and judicial decisions from international courts and their implications for international law.	K5
CO6	Assess the role of international law in addressing global challenges such as human rights, environmental protection, and armed conflicts.	K5

## Optional-I: Human Rights Law and Practice / Insurance Law

### Human Rights Law and Practice

CO No.	CO Statement	RBT Level
CO1	Define the fundamental concepts and frameworks of human rights law, including international and regional human rights instruments.	K1
CO2	Explain key human rights norms and the mechanisms for their protection and enforcement.	K2
CO3	Apply human rights principles to analyze and address contemporary human rights issues and violations.	K3
CO4	Analyze the effectiveness of international and regional human rights bodies and their impact on human rights protection.	K4
CO5	Evaluate landmark human rights cases and their influence on global human rights jurisprudence.	K5
CO6	Assess strategies for advancing human rights and addressing challenges in various legal and cultural contexts.	K5

CO No.	CO Statement	RBT Level
CO1	Define the basic concepts and principles of insurance law, including types of insurance contracts and policies.	K1
CO2	Explain the legal framework governing insurance contracts, including rights and obligations of parties involved.	K2
CO3	Apply insurance law principles to resolve issues related to claims, disputes, and policy interpretation.	K3
CO4	Analyze the impact of regulatory frameworks and case laws on the insurance industry.	K4
CO5	Evaluate recent developments and judicial decisions in insurance law and their implications for policyholders and insurers.	K5
CO6	Assess the role of insurance law in risk management and financial protection.	K5

## Course Outcomes (COs) for Optional-II: Banking Law / Right to Information

CO No.	CO Statement	RBT Level
CO1	Define key concepts and regulations governing banking law, including banking operations and financial institutions.	K1
CO2	Explain the legal framework related to the establishment, regulation, and supervision of banks.	K2
CO3	Apply banking law principles to analyze issues related to banking transactions, credit, and banking operations.	K3
CO4	Analyze the impact of regulatory frameworks on banking practices and financial stability.	K4
CO5	Evaluate recent legal developments and case laws affecting the banking sector.	K5
CO6	Assess the role of banking law in promoting transparency, accountability, and financial inclusion.	K5

## Course Outcomes (COs) for Right to Information

CO No.	CO Statement	RBT Level
CO1	Define the key principles and provisions of the Right to Information (RTI) Act.	K1
CO2	Explain the process and procedures for filing RTI applications and the obligations of public authorities.	K2
CO3	Apply RTI principles to analyze case studies related to information access and transparency.	K3
CO4	Analyze the effectiveness of RTI in promoting accountability and reducing corruption.	K4
CO5	Evaluate landmark judgments and their impact on the implementation of RTI.	K5
CO6	Assess strategies for improving the RTI system and addressing challenges in information disclosure.	K5

## Course Outcomes (COs) for Clinical Course-I: Professional Ethics and Professional Accounting System

CO No.	CO Statement	RBT Level
CO1	Define the fundamental principles of professional ethics and their importance in legal practice.	K1
CO2	Explain the ethical standards and codes of conduct applicable to legal professionals.	K2
CO3	Apply ethical principles to analyze and resolve professional dilemmas and conduct issues.	K3
CO4	Analyze the role of professional ethics in maintaining integrity and public trust in legal practice.	K4
CO5	Evaluate the impact of ethical violations and their consequences for legal professionals.	K5
CO6	Assess the effectiveness of professional ethics training and its role in enhancing professional conduct.	K5

## Course Outcomes (COs) for Clinical Course-II: Alternative Dispute Resolution Systems

CO No.	CO Statement	RBT Level
CO1	Define the key concepts and types of alternative dispute resolution (ADR) mechanisms.	K1
CO2	Explain the procedures and principles of mediation, arbitration, and conciliation.	K2
CO3	Apply ADR principles to analyze and resolve disputes effectively using various ADR methods.	K3
CO4	Analyze the effectiveness and advantages of ADR systems compared to traditional litigation.	K4
CO5	Evaluate case studies to understand the application and outcomes of ADR processes.	K5
CO6	Assess the role of ADR in enhancing access to justice and resolving conflicts efficiently.	K5

## Course Outcomes (COs) for Company Law

CO No.	CO Statement	RBT Level
CO1	Define fundamental concepts of company law, including types of companies and their formation.	K1
CO2	Explain the legal framework governing company registration, management, and dissolution.	K2
CO3	Apply company law principles to analyze corporate governance issues and company operations.	K3
CO4	Analyze the roles and responsibilities of directors, shareholders, and other corporate officers.	K4
CO5	Evaluate recent changes in company law and their impact on corporate practices and compliance.	K5
CO6	Assess the effectiveness of legal remedies and enforcement mechanisms in company law.	K5

## Course Outcomes (COs) for Civil Procedure Code and Limitation Act

CO No.	CO Statement	RBT Level
CO1	Define the key provisions and procedures under the Civil Procedure Code (CPC) and the Limitation Act.	K1
CO2	Explain the process of filing and defending civil suits, including jurisdiction, pleadings, and trial procedures.	K2
CO3	Apply CPC and Limitation Act principles to case studies involving civil litigation and limitation issues.	K3
CO4	Analyze the procedural requirements and their impact on the progress and outcome of civil cases.	K4
CO5	Evaluate the effectiveness of the Limitation Act in ensuring timely justice and legal remedy.	K5
CO6	Assess recent judicial interpretations of CPC and the Limitation Act and their implications for civil practice.	K5

## Optional-III: Intellectual Property Rights-I / Penology & Victimology

### Intellectual Property Rights-I

CO No.	CO Statement	RBT Level
CO1	Define the basic concepts and types of intellectual property rights, including patents, trademarks, and copyrights.	K1
CO2	Explain the legal framework and procedures for obtaining and enforcing intellectual property rights.	K2
CO3	Apply IP laws to analyze and resolve issues related to infringement, licensing, and protection of intellectual property.	K3
CO4	Analyze the impact of intellectual property rights on innovation, business, and economic development.	K4
CO5	Evaluate recent case laws and legislative changes in IP rights and their implications for stakeholders.	K5
CO6	Assess strategies for managing and protecting intellectual property in a global context.	K5

### Penology & Victimology

CO No.	CO Statement	RBT Level
CO1	Define key concepts and theories of penology and victimology, including crime prevention and offender rehabilitation.	K1
CO2	Explain the legal and social frameworks for managing offenders and supporting victims of crime.	K2
CO3	Apply penological theories to analyze and address issues related to sentencing, parole, and correctional facilities.	K3
CO4	Analyze the effectiveness of different rehabilitation and restorative justice programs.	K4
CO5	Evaluate the impact of victimological research on policy and practice in crime prevention and victim support.	K5
CO6	Assess the role of social and legal systems in addressing the needs of victims and reducing recidivism.	K5

## Optional-IV: Interpretation of Statutes and Principles of Legislation / Competition Law

### Interpretation of Statutes and Principles of Legislation

CO No.	CO Statement	RBT Level
CO1	Define the principles and methods of interpreting statutes and legislative texts.	K1
CO2	Explain the various approaches to statutory interpretation, including literal, purposive, and contextual methods.	K2
CO3	Apply principles of statutory interpretation to analyze and resolve legal ambiguities and conflicts.	K3
CO4	Analyze the impact of legislative intent and judicial interpretation on the application of statutes.	K4
CO5	Evaluate recent case laws and legislative reforms and their effect on statutory interpretation.	K5
CO6	Assess strategies for effective legislative drafting and interpretation in ensuring legal clarity and consistency.	K5

### Competition Law

CO No.	CO Statement	RBT Level
CO1	Define the key concepts and provisions of competition law, including anti-trust regulations and market practices.	K1
CO2	Explain the legal framework governing competition, including practices, regulations, and enforcement mechanisms.	K2
CO3	Apply competition law principles to analyze and address issues related to market dominance and anti-competitive practices.	K3
CO4	Analyze the effectiveness of competition law enforcement and regulatory bodies in promoting fair competition.	K4
CO5	Evaluate recent cases and regulatory decisions in competition law and their impact on market practices.	K5
CO6	Assess strategies for ensuring compliance with competition law and fostering competitive market conditions.	K5

### Course Outcomes (COs) for Clinical Course-III: Drafting, Pleading, and Conveyance

CO No.	CO Statement	RBT Level
CO1	Define the fundamental concepts and techniques involved in legal drafting, pleading, and conveyancing.	K1
CO2	Explain the procedural requirements and legal standards for drafting effective legal documents.	K2
CO3	Apply drafting and pleading techniques to prepare various legal documents, such as contracts, petitions, and affidavits.	K3
CO4	Analyze the effectiveness of different legal documents and their compliance with legal norms and requirements.	K4
CO5	Evaluate case studies to understand the practical aspects of drafting, pleading, and conveyancing.	K5
CO6	Assess strategies for improving legal document preparation and ensuring accuracy and clarity in legal practice.	

### Course Outcomes (COs) for Law of Evidence

CO No.	CO Statement	RBT Level
CO1	Define the basic principles and types of evidence, including direct, circumstantial, and documentary evidence.	K1
CO2	Explain the rules and procedures for the admissibility and relevance of evidence in legal proceedings.	K2
CO3	Apply evidentiary rules to analyze and evaluate the strength and admissibility of evidence in case scenarios.	K3
CO4	Analyze the role of evidence in establishing facts and proving legal claims in both civil and criminal cases.	K4
CO5	Evaluate recent legal developments and case laws related to evidence and their impact on judicial outcomes.	K5
CO6	Assess strategies for effectively presenting and challenging evidence in court to achieve favorable outcomes.	K5

## Course Outcomes (COs) for Environmental Law

CO No.	CO Statement	RBT Level
CO1	Define the key concepts and principles of environmental law, including environmental protection and conservation.	K1
CO2	Explain the legal frameworks and regulations related to environmental issues such as pollution, waste management, and biodiversity.	K2
CO3	Apply environmental law principles to analyze and address real-world environmental challenges and regulatory compliance.	K3
CO4	Analyze the effectiveness of various environmental laws and policies in promoting sustainability and protecting natural resources.	K4
CO5	Evaluate recent case laws and environmental litigation to understand their impact on environmental policy and practice.	K5
CO6	Assess strategies for enhancing environmental law enforcement and promoting eco-friendly practices in different sectors.	K5

## Course Outcomes (COs) for Optional-V: Intellectual Property Rights-II / White Collar Crimes

### Intellectual Property Rights-II

CO No.	CO Statement	RBT Level
CO1	Define advanced concepts in intellectual property rights, including patents, trademarks, and trade secrets.	K1
CO2	Explain the procedures for enforcement of IP rights and handling disputes related to intellectual property.	K2
CO3	Apply IP laws to complex scenarios involving IP litigation, licensing agreements, and cross-border issues.	K3
CO4	Analyze the impact of IP rights on technological innovation, business strategies, and global trade.	K4
CO5	Evaluate recent IP-related legal decisions and their implications for businesses and innovators.	K5
CO6	Assess strategies for protecting intellectual property in a digital age and addressing emerging challenges.	K5

## White Collar Crimes

CO No.	CO Statement	RBT Level
CO1	Define white collar crimes, including fraud, embezzlement, and insider trading, and their characteristics.	K1
CO2	Explain the legal frameworks and regulatory measures for combating white collar crimes.	K2
CO3	Apply legal principles to analyze and address cases involving white collar crimes and financial misconduct.	K3
CO4	Analyze the social and economic impact of white collar crimes on individuals, businesses, and society.	K4
CO5	Evaluate recent case studies and legal decisions related to white collar crimes and their outcomes.	K5
CO6	Assess strategies for preventing and addressing white collar crimes, including compliance and enforcement measures.	K5

## Course Outcomes (COs) for Optional-VI: Land Law / Law relating to International Trade Economics

### Land Law

CO No.	CO Statement	RBT Level
CO1	Define key concepts in land law, including land ownership, tenancy, and property rights.	K1
CO2	Explain the legal framework governing land transactions, registration, and disputes.	K2
CO3	Apply land law principles to analyze and resolve issues related to land use, property development, and rights.	K3
CO4	Analyze the impact of land law on urban planning, rural development, and environmental management.	K4
CO5	Evaluate recent legal developments and case laws in land law and their implications for land management.	K5
CO6	Assess strategies for effective land management and dispute resolution in various legal and economic contexts.	K5

## Law relating to International Trade Economics

CO No.	CO Statement	RBT Level
CO1	Define key concepts in international trade law and economics, including trade agreements and tariffs.	K1
CO2	Explain the legal and economic frameworks governing international trade and commerce.	K2
CO3	Apply trade law principles to analyze and address international trade disputes and regulatory compliance.	K3
CO4	Analyze the impact of international trade laws and economic policies on global trade practices and relations.	K4
CO5	Evaluate recent trade agreements, disputes, and their impact on international trade dynamics.	K5
CO6	Assess strategies for navigating and optimizing international trade operations and legal compliance.	K5

## Course Outcomes (COs) for Clinical Course-IV: Moot Court Exercise and Internship

CO No.	CO Statement	RBT Level
CO1	Define the procedures and objectives of moot court exercises and internships in legal education.	K1
CO2	Explain the skills and competencies required for effective participation in moot court exercises and legal internships.	K2
CO3	Apply legal knowledge and skills to simulate courtroom scenarios and legal practice during moot court exercises.	K3
CO4	Analyze the effectiveness of moot court exercises and internships in developing practical legal skills and professional competencies.	K4
CO5	Evaluate performance in moot court exercises and internships to identify areas for improvement and professional growth.	K5
CO6	Assess the impact of practical experience gained through moot court and internships on career readiness and legal practice.	K5

**Key indicators of measuring attainment are:**

End Semester University Examination Students are required to take examinations as per the semester through which the institution measures programme outcomes based on the course attainment level fixed by the programme.

Internal Assessment the Internal Assessment constitutes 30% weightage of the total marks (100) in each subject. The students are given assignments which are designed in alignment with Course outcomes of the respective subject and Programme Outcomes.

Result Analysis at the end of each semester, result analysis of each course is carried out. The percentage of students falling in different categories is obtained. This is an effective indicator in order to evaluate the level of attainment of POs, PSOs and Cos. Internships and Placements: Students are encouraged to take up internships, projects, fieldwork, etc. The Placement Cell of the Law School helps the students to get placed in esteemed companies, Law Firms and Offices of the Judges etc. This helps them to obtain necessary skills and practical experience in their area of interest.
